

**For each set of four statements,
one of the statements is a lie!**

Before learning about tobacco marketing laws, see if you can figure out which one is the lie. Then, after you have learned the truths, add one more 'truth' to each set that you may not have known, or that you think was an important change.

**Three Truths and One Lie
-Tobacco Laws-**

SET #1

- 1** Tobacco used to be sold to people under 16 years of age
- 2** Tobacco companies can add fun flavours to cigarettes
- 3** Tobacco companies are not allowed to advertise in magazines seen by kids
- 4** Tobacco vending machines were found in public places (like malls) until the 1990's

I think the lie is: _____

One more truth is: _____

SET #2

- 1** You can only buy cigarettes in packs of 20 or more
- 2** Tobacco companies must put picture warning labels on their products
- 3** Tobacco companies got around regulations by sponsoring athletes, concerts, sporting events, and new buildings
- 4** Tobacco companies can call cigarettes 'mild' or 'light'

I think the lie is: _____

One more truth is: _____

name: _____
