Bad For You,
Bad For You.

Cigarettes Are Bad For You,
Yuck,
Yuck,
Do not touch

How To Play The Game: Two children hold hands together to form an arch. The rest of the class lines up and takes turns running under the arch as they sing. When the song gets to the word "touch" the two children forming the arch try to tag/touch the person under. If they can, that student takes up position as one of the students in the arch and the game continues until the teacher chooses it to stop.
